

Passion Talks
Talk Summary & Outline

Passion & Purpose
The secret ingredient to an amazing life & successful work

Summary:

Do you know what makes you tick?

According to Gallup research 90% of the MENA workforce is unhappy & disengaged, that costs your organisation a substantial amount in productivity, attrition and sick leave.

It is normal that work can tend to get monotonous, yet, when you find your passion in and your energy levels go up, your performance becomes better and you simply enjoy life more...The question is how can you do that without having to leave your job, especially if your passion is far from your current job?

Passion is the secret ingredient to the success of any leader, is the secret of great relationships and most importantly is the key behind achieving an amazingly fulfilling life

This talk is guaranteed to bring more life into your day to day!
