

Pitch Lab
Present, Pitch & Sell Passionately

Outline & Takeaways

Summary:

Approximately 35 million PowerPoint presentations are given each day, most people tune out within 10 minutes. If your business or career depends on getting a YES! then this will be the most crucial thing to learn.

This talk/workshop will help you learn the secrets of delivering with so much passion that you take your audience on an emotional journey much like an unforgettable movie does.

More importantly, its all about closing the deal at the end of the presentation, learn how to get your audience to say a big YES by the end of your presentation.

Talk outline/content:

- Create & Deliver Winning presentations
- How to get to YES! By end of your pitch presentation
- How to pitch on stage, on camera and in front of any audience
- Get the passion, connect to your purpose to fuel your speaking
- Find your signature delivery style
- Learn storytelling secrets
- Master body language & tone of voice
- Handling tough Q&As
- Get to YES! (Its all about closing the deal)

This program is perfect for:

- Senior Management
- Sales Teams
- Biz Dev Teams
- Customer Services Teams
- Marketing Teams
- Anyone who needs to pitch, present, sell or speak in public
